January 27, 2023.

From the Principal's Office: (doucetr@lrsd.ab.ca)

Today is the official last school day of semester one, we are getting report cards ready, and they will be mailed as soon as possible. On Tuesday, students will receive semester two timetables in the morning during their first class.

We have been working on live streaming our extracurricular sports; we have done a few games as a test so far and are planning on live-streaming the basketball games this weekend. Please subscribe to your Youtube channel JTF Live Stream for notifications when we live stream an event.

With the weather turning cold, I would remind everyone that if a child needs a winter coat, we have some available for anyone that needs one.

Roger Doucet
