Academic Achievements and Awards:

Please submit a brief (less than 500 words) essay on your demonstrated leadership and civic activities, experiences with community clubs, sports teams or volunteer work and how these experiences relate to your educational field of choice. Preference for this bursary will be given to a student that is taking a degree in the medical field. Proof of enrollment is also required and the student must be attending post-secondary the same year they apply for this bursary.

Please submit your application form, with your attached essay, to your academic advisor.

Deadline for application is April 30, 2025.
