

Dear Parents/ Guardians of Grade 12 students;

In an effort to help you prepare for the 2025-2026 school year we would like to provide you with some information regarding your student's timetable.

By the end of their grade 12 year, students must have earned a minimum of **100 credits** AND met the requirements of courses within this 100 credits. Mr. MacDonald and Mrs. Spencer will meet with each grade 12 student to ensure they have a timetable that satisfies graduation requirements. All core classes will be offered on site.

Semester 1

Monday-Thursday	Friday
8:43-10:13am English Language Arts 30-1	8:43-9:34 English Language Arts 30-1
Break 10:13-10:18am	9:34-10:25 Math 30-1/ Math 30-2, Social 30-2

June 2025

Dual Credit Opportunities

In high school, students may occasionally face scheduling conflicts or gaps in their timetables. While this is a common challenge, there are alternative programming options available. Through partnerships with Olds College and Lethbridge College, students have the opportunity to enroll in online courses that count toward high school graduation and can be transferred to future post-secondary programs. Students with spare periods in their schedules may be eligible to take advantage of these courses—saving money and earning post-secondary credits at the same time. For more information, please connect with Mr. MacDonald or Mrs. Spencer to explore this exciting opportunity.

Physical Education 20/30

Each year, we strive to offer Physical Education 20/30 to our students as part of our commitment to a well-rounded education. Due to a number of unique challenges we are presented with for the 2025-2026 school year, we have not scheduled programming for Physical Education 20/30. However, if your student has the strong desire to take Physical Education 20/30 in the 2025-2026 school year, please encourage them to meet with Mr. MacDonald and/or Mrs. Spencer.

Student Leadership

Events and functions that happen with the school do not happen on their own. Being involved with student leadership is a great way to get involved in things students want to see happening around the school. Relay for Life, Community Kindness, and Reindeer Games all rely on Student Leadership for their continuation. We encourage junior and senior students to get involved in some capacity.

We look forward to seeing you next year,

Jason MacDonald, Principal

Jillian Spencer, Assistant Principal
